

Nine Lives

The brilliant Nine Lives is playing at the Arcola Theatre in London until the 30th January. Having performed an extract for us at Sanctuary in Parliament last year, the show has been on tour around the UK, and is now in London.

The play tells the story of Ishmael, who has fled from his home in Zimbabwe, where a fresh wave of homophobia threatens his life. In Leeds is the prospect of sanctuary, and of a new life among strangers. But will those strangers accept him? Can Ishmael find a place to call home again?

If you are in London we recommend getting yourself a ticket here before it's too late!
